

FIG. 1

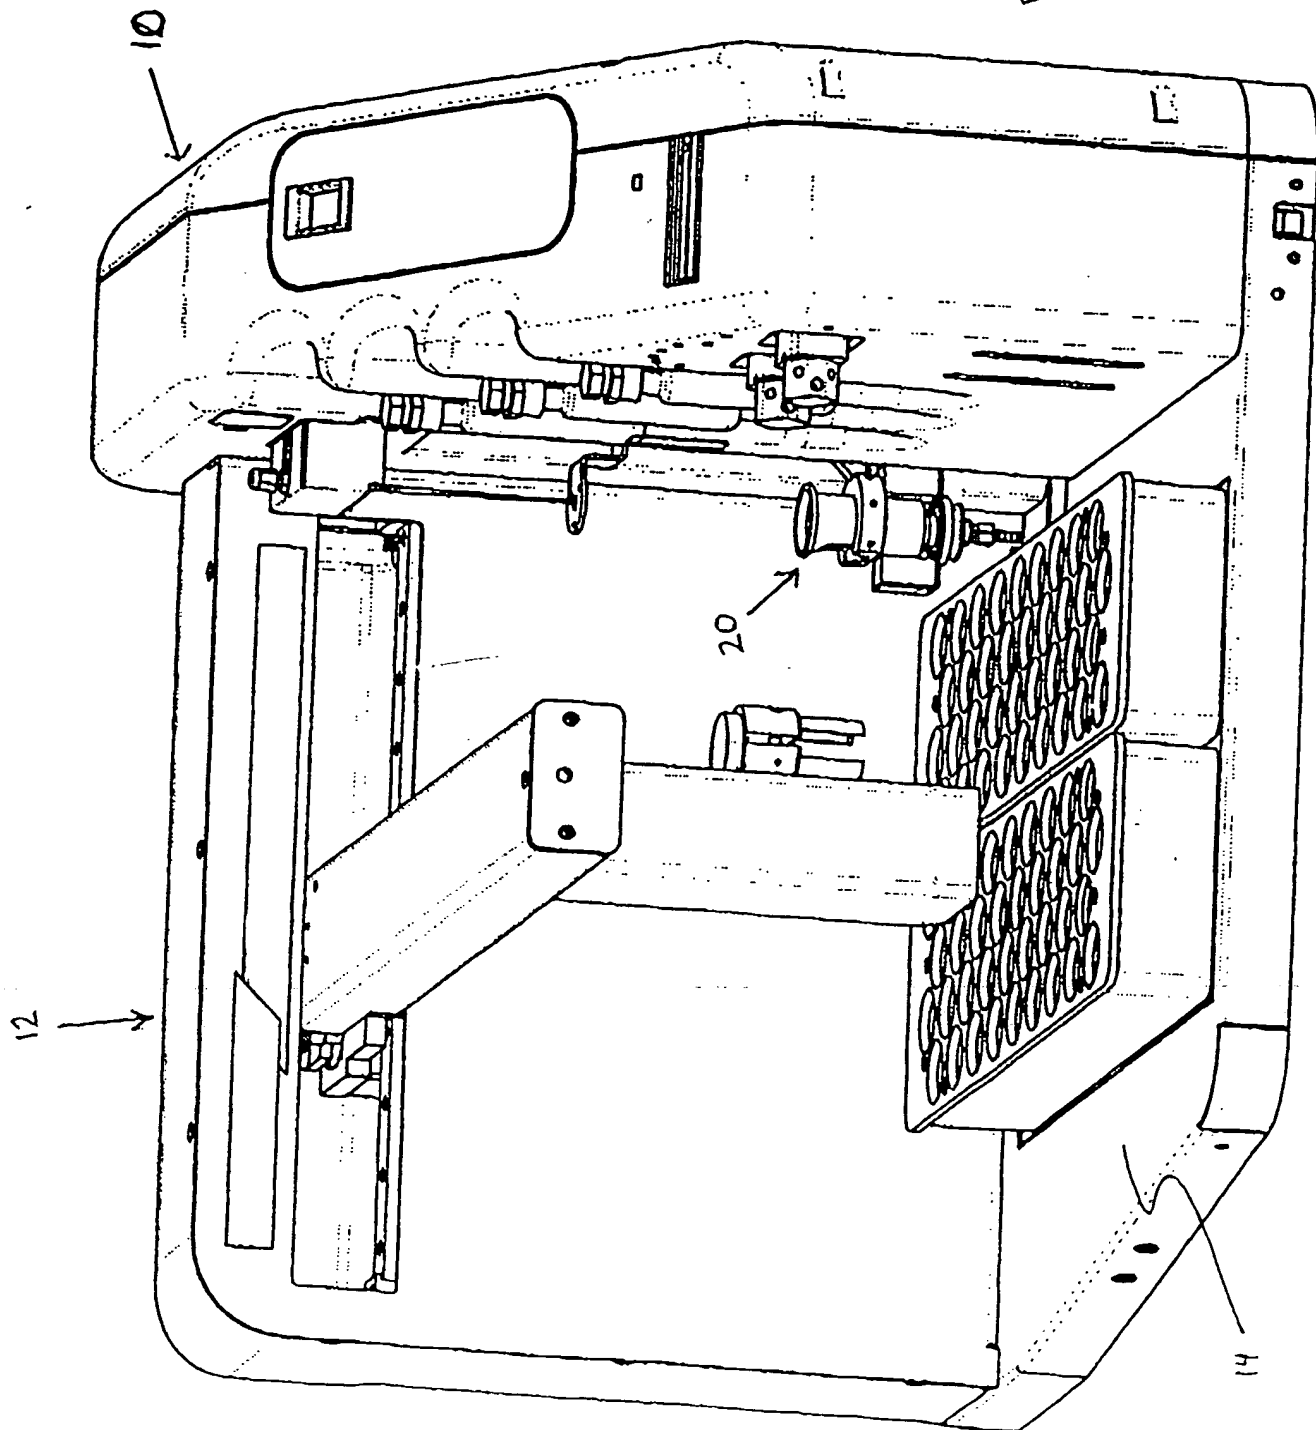

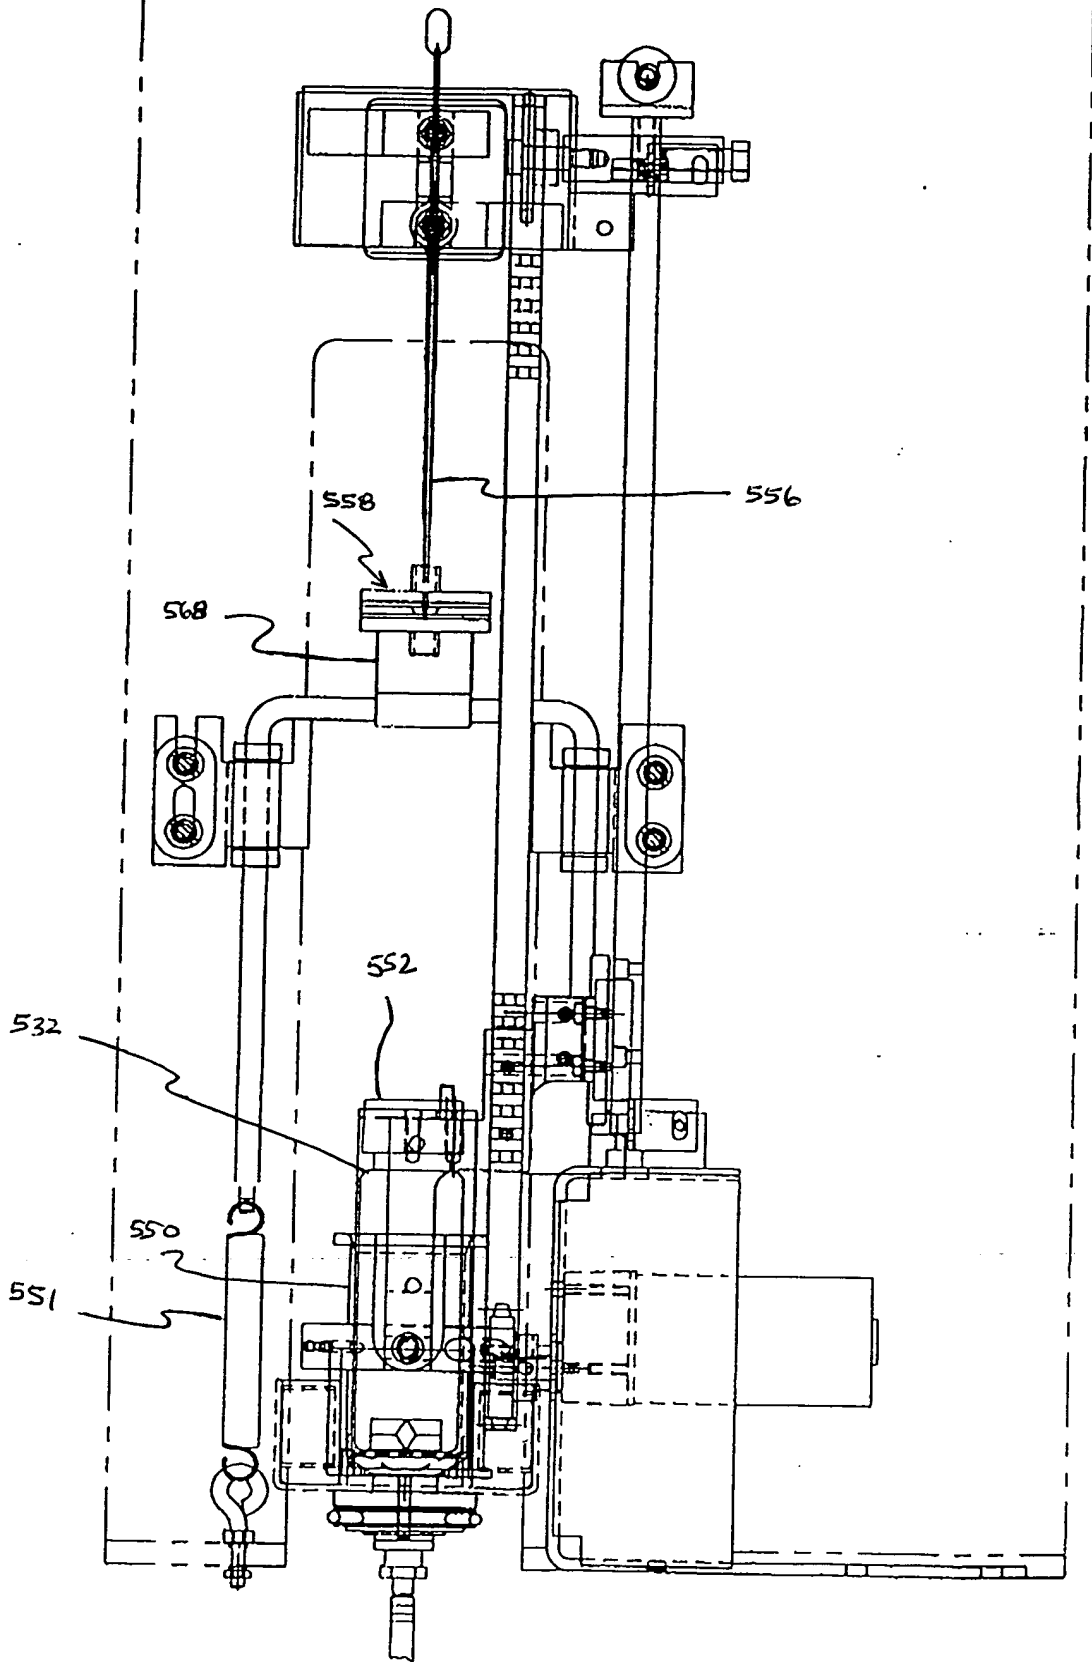

FIG. 1

FIG. 2 is a schematic diagram of a mechanical system, showing a vertical assembly with various components and connections. The diagram is enclosed in a dashed rectangular frame. The components are labeled with reference numerals: 532, 550, 551, 552, 556, 558, and 568. The system appears to be a fluid control or measurement device, possibly a pump or a valve assembly, with a central vertical shaft and various ports and connections. The drawing is a technical illustration, likely from a patent document.
